**Heads Up! | Revelation 1:1-8**  
Part 1 of “Jesus Revealed and Reflected” Series

**The Background**

**God’s Revelation and Our Response**

Through the risen Christ, God has revealed His plans for the future so that we may understand how to live in uncertain times and experience His blessing as we follow Him. (vv. 1-3)

Remembering God’s eternal character and ongoing grace helps us to patiently and confidently wait for Christ’s return. (vv. 4-8)

## Questions for Discussion and Further Reflection

1. Has the book of Revelation been more *revealed* truth or *obscured* truth to you?
2. Jesus is described in Revelation as being both “Lamb” and “Lord.” How can both of these titles be true in one person?
3. Why has Jesus delayed His return for 2,000 years?
4. How has the certainty of Jesus’ return changed the way you live today?
5. How should each of us prepare ourselves for Christ’s return?
6. What does does a passion for the return of Christ do for us?
